ABOUT

Sage Creek at its finest. This home has been completely updated and tastefully decorated throughout. Farm-house details and great colors will draw you into each room. The cozy family room has a gas fireplace with plantation shutters, shiplap, a custom antique mantle, and it overlooks the completely remodeled kitchen. The kitchen is complete with crown molding, white cabinets, quartz counters, and a subway tile backsplash. Upstairs, you'll find an open loft and 3 bedrooms. The master bedroom suite is expansive and has an en-suite bathroom with a soaking tub, double sinks, and plenty of light! The basement has been finished with an additional guest bedroom, 3/4 bath, and great flex space with shuffleboard and a very nice built-in entertainment system. The backyard features a stamped concrete patio and complete with a half-court basketball court. The home is located just across the street from a park and the corner-lot location provides for a large yard. New interior paint in 2019 and the exterior of the home has been freshly painted in 2021!
